Business Impact NW is the First SBA Microlender in Alaska

Seattle, WA, 2022 – Business Impact NW has been licensed to lend in the State of Alaska. Business Impact NW is now offering small business loans, including short and long-term loans from \$5,000-350,000, SBA Microloans (\$50,000 and under), impact or emergency loans, working capital financing, debt refinancing and ITIN lending.

Business Impact NW is the only SBA Microloan lender in Alaska offering many small business owners access to capital from the SBA program that cannot be found by any other lender.

For almost 10 years Business Impact NW has been operating and serving the Alaska market through the Veterans Business Outreach Center. Now it is increasing the offer to lending products.

"We could not be more excited to serve the small businesses of Alaska and help them get access to the capital they need to start, grow, and expand their businesses" said Joe Sky-Tucker, CEO of Business Impact NW.

Business Impact NW's mission is to grow businesses that create jobs in underserved communities, so that all businesses owners have an equal opportunity to succeed. It has 25 years of experience providing technical assistance and lending services in four states in the Pacific Northwest.

About Business Impact NW
