

CAPITAL READINESS

A PROGRAM OF BUSINESS IMPACT NW

CREDIT COUNSELING SERVICES

Our Certified Credit Advisors provide free, confidential, and supportive advising in the areas of consumer credit, money and debt management, and budgeting. Counselors discuss your financial situation with you and help you develop a personalized plan to meet your personal and business financial goals.

WHAT WE OFFER:

- ✓ **Personalized Financial Guidance:**
Our experienced credit counselors will work closely with you to understand your unique financial situation and provide tailored advice.
- ✓ **Credit Score Improvement:**
Learn strategies to boost your credit score and enhance your financial profile.
- ✓ **Debt Management:**
Gain insights on how to manage and reduce your debt effectively.
- ✓ **Budgeting Techniques:**
Discover practical budgeting techniques to achieve your financial goals.
- ✓ **Financial Education:**
Access valuable resources and workshops to enhance your financial literacy.

WHY CHOOSE US:

Confidentiality:

You and your information are safe and kept strictly confidential.

Expertise:

Our team has extensive experience in credit counseling and financial education.

Client-Centered Approach:

We prioritize your financial well-being and tailor our services to meet your needs.
